What is the TPK Turkey Trot Fun Run?

It's our annual fundraiser, reimagined a little for 2020! We're conducting a virtual fun run to raise money for our school. The reduced class sizes and increased cleaning costs required of us this year have left our budget upside down. We're looking to reverse that budget deficit and continue to provide quality Christian preschool education for generations of children to come! *Would you consider helping us this year with a donation?*
